

# PEUGEOT CONTRACTUAL WARRANTIES CERTIFICATE

## Contractual warranties PEUGEOT

This certificate must be completed and stamped by the selling dealer in order to validate the PEUGEOT contractual warranties. Application of the said warranties is dependent on the carrying out of routine services, as detailed in your service schedule, evidence of this being provided by the completed counterfoils in this booklet.

The benefits of the contractual warranty are not subject to the completion of repairs and servicing that are not covered by this warranty, having been carried out by an Authorised Repairer.

The PEUGEOT contractual warranties take effect from the effective day of delivery of your vehicle (warranty start date entered on this page).

Details of the PEUGEOT contractual warranties which your vehicle benefits from, as well as their conditions of application, are given on the order form for your new vehicle.
